Re: Interim Measures Work Plan Response
Interim Measures Work Plan for the Marcus Hook Industrial Complex (MHIC) Area of
Interest 7 (AOI 7)

Dear Mrs. Doerr,

The U.S. Environmental Protection Agency (EPA) has received and reviewed the Interim Measures Work Plan Response (Responses) and Interim Measures Work Plan (Plan) for the Marcus Hook Industrial Complex Area of Interest 7 submitted by Evergreen on December 9, 2021. EPA approves the Responses and Plan which includes the proposed interim measure and schedule as requested in the October 26, 2021 letter.

Monthly check-ins to monitor progress should continue, and additional items that require follow-up can be addressed as needed.

Please contact me at (215) 814-2796 or bilash.kevin@epa.gov if you have any questions or concerns.

Sincerely,

Kevin Bilash, Remedial Project Manager
